2 – Help like-minded people with the gift of freedom. Give a cash gift freely and you prosper.

3 – Cash gifting clubs provide you with a free website.

4 – Some cash gifting clubs provide free autoresponders. An auto responder is a must if you want to build a list.

5 – You can plug into a co-op for a passive prosperity stream. Hands-free cash generation. Offer a cash gift and let someone else do the work for you.

6 – Cash gifting is invite only. You decide whether to accept a cash gift or refuse it. You can pick and choose your team members.

7 – No corporate hierarchy, no bosses, no levels of management. No office politics.

8 – Work from home.

9 – Cash gifting mentors readily share their marketing insight with you; most provide a cell phone number along with their email address.

10 – You can effectively use free marketing methods. I top google for a number of cash gifting keywords by using only free marketing strategies.

11 – Cash gifting can be worked along with affiliate marketing or MLM opportunities.

12 – Cash gifting clubs provide tracking software which ensure accurate placing of gifts.

13 – Cash gifting mentors often have similar interests. I count team members as dear friends who I never would have met had I not been introduced to the concept of cash gifting.

14 – There is no selling in cash gifting. No product to learn.

That's it. No selling or recruiting, no prospecting, no chasing leads.
